DANCER REQUIREMENTS

Studio 61 has a high expectation for all dancers that participate in The Showcase. We believe that dance training and character training go hand in hand and when committing to performing in this show. It is crucial that these expectations are met. Our staff believes that our dancers are capable of achieving anything they set their mind to and will encourage them to take their studio training seriously. A dancer must commit to consistent practicing at home and the staff will require improvement from each dancer on a weekly basis. Production of this show depends solely on the consistent effort put in by dancers and staff members.

URNS & LEAPS*

*THESE CLASSES REQUIRE ENROLLMENT OF A BALLET CLASS FROM THE 2021 FALL SCHEDULE

IS IT MANDATORY TO PERFORM A BALLET ROUTINE FOR THE SHOWCASE?

Ballet is required if your child would like to participate in a technique based dance class. Technique based classes include Contemporary, Jazz and Turns & Leaps. Your child does not need to take Ballet if they are enrolled in Acro, Breaking, Hip Hop or Tap. Ballet is highly recommended to anyone that wants to excel to his or her highest potential in the art of dance.

WHY IS IT MANDATORY TO TAKE BALLET FOR A TECHNIQUE CLASS?

Since Ballet is the foundation of all technique dance styles, we would be doing you an injustice by allowing your dancer to take a technique based class without Ballet. Ballet will not only strengthen the dancer's abilities, it is also a very crucial part of a dancer's training.

IS IT MANDATORY TO PERFORM AT SHOWCASE IN ORDER TO TAKE IN-STUDIO CLASSES?

Yes. For the 2021 Showcase, all dancers that are enrolled for in-studio classes must perform in the show.

Typically, we do allow dancers to continue to attend classes in the studio and not participate but since we are limited in space for the studio due to Covid, all dancers that attend in-person will be required to participate in The Showcase.

VIRTUAL CLASSES

Virtual classes will continue until April 30th. Dancers that participate in classes on Zoom will be able to take part in learning showcase dances while at home. The classes will be learning the showcase dances while at home with the understanding that they will not be participating in the show. Anyone participating on Zoom should be aware of this before registering for virtual classes.

LEVEL PLACEMENT

CLASSES BASED BY AGE

Class placement is initially based on age, however dance experience/ability will play a role in class recommendation and must be approved by the director and/or teacher. Administration ONLY is responsible for placing students into their appropriate classes as they are qualified to do so and it will always be for the best interest of the dancer. If a child is registered for a class that is not his/her level, the student will be dropped from that class and the account holder will be contacted and will receive options for other classes to switch into based on what is available.

AGES WILL BE AS OF AUGUST 24TH, 2020

PRESCHOOL CLASSES: AGES 3-4

PRE/LIL LEVEL CLASSES: AGES 5-7

LEVEL 1 CLASSES: AGES 8-10

LEVEL 2 CLASSES: AGES 11-13

LEVEL 3 CLASSES: AGES 14+

CLASSES BASED BY TECHNIQUE & SKILL

Acro and Turns & Leaps classes require a level of strength, flexibility, body placement and body awareness. It is VERY important that dancers are placed in the correct classes based on experience and ability to avoid possible injuries. Each class has a list of required skills for each level and in order for a dancer to be placed in a specific level, he/she must have all of the skills on the list with proper technique. If a dancer enrolls in a level and eventually gains all of the skills in that class and is able to move to the next level, the dancer and parent will be notified and they can move levels if they would like to. This opportunity of moving up will be available during the entire season.

If your dancer is registering for an acro or turns & leaps class, please be prepared and open to possibly switch classes if skills have been attained for that class.

SHOW EXPECTATION

BACKSTAGE

For the 2021 Showcase, we will not be allowing any parents to work backstage. Miramar Cultural Center is limiting the number of people allowed backstage significantly so we will be engaging our staff and assistants to help with costume and hair changes.

LIMITED SEATING

We expect a smaller amount of attendants in the audience but at this time will not know what that number will actually be. We will be able to give you more information about how many tickets each family will be eligible to receive as we get closer to the date.

LIVE FEED

We will be offering the option for all of our Studio 61 Family members and friends to attend The Showcase virtually as we did last season. More information about tickets and pricing will be coming soon.

MASKS

Due to the fluidity of the situation, we are unsure where we will stand with masks until we get closer to the date. We will do our best to keep everyone informed and if we decide that masks are necessary, we will notify you.

PURCHASING TICKETS

The pricing, ticket sale dates and purchasing instructions will be released at the end of April/ beginning of May via email and TeamApp. Ticket costs generally run between \$30 -\$35 each.

If your child is participating in both shows and you would like to attend both of them, it is understood that you will be purchasing tickets to both shows at full price. If your child is participating in only one show, please make sure you are purchasing tickets for the correct show. TicketMaster will NOT refund you for any tickets that are purchased.

CHOREOGRAPHY EXPECTATION

Dancers participating in the show will be moving through formations as called for by the choreographer. All dancers can expect to do a somewhat "normal" dance keeping in mind that social distancing is still required at the time.

COSTUMES

EXPECTATION

Each class will receive a costume unique to the style of that dance. The costumes are chosen by the collaboration of the studio owner and the teachers. Some costumes may include accessories without any extra cost. Some costumes will have more glitz and glamour while others (mainly hip hop) are more practical and trendy.

COSTUME MEASUREMENTS

If you are currently registered for the 2020 Fall Season (current season) your dancer will automatically be measured for costumes. For any new students, including those who are currently doing virtual classes, you can come to the studio on Friday, November 20th between 5pm and 6pm to get measured.

VIEWING COSTUMES

To view your dancer's costume, please reference the 2021 Showcase Costume Document (coming soon). This document will also be available on our website and on TeamApp (coming soon).

For our Studio 61 Male Dancers: Please keep in mind that your costume selections will be chosen after we have received your final registration confirmation for each class. For breaking classes, we usually select a unisex costume. For all other classes, each male dancer will be costumed individually.

WHEN DO I TAKE HOME MY COSTUMES?

Once all of your child's costumes & accessories have arrived to the studio, been tried on by your child and has been properly placed in a garment bag by a Studio 61 Staff Member, you will be notified via email that your child's costumes are ready to go home.

GARMENT BAG

All costumes will be sent home in a black Studio 61 Dance Company Garment bag with the dancer's name labeled on the tag. This bag should be used to keep all of your child's costume items together. It is crucial to keep all of your child's costumes and accessories in the garment bag until Showcase in order to avoid losing or damaging any pieces. We highly suggested storing it in a safe place that will not be in reach until the day of the show.

Please send your child to Showcase with this garment bag and if needed, they will be permitted to bring one other bag with shoes, games, snacks and anything else they might need for the duration of the show. Please make sure to CLEARLY MARK your child's name on every item they bring, including their bags.

After deciding to do in-studio classes or virtual classes, be sure to select the corresponding class of your choice. PLEASE NOTE: All dancers that register for virtual classes will not be eligible to participate in The Showcase. Be sure to double check that you are registering for the proper class before you checkout. Once you have registered and paid, no refunds will be given under any circumstance.

If the class you are selecting has a waiting list, you will be placed on that list and we will notify you when the class opens up (if applicable). There is no cost to go on the waiting list. Please understand that the waiting list does not guarantee a spot in the class.

Make sure to select the proper class according to your dancer's age as of AUGUST 24th, 2020. If your dancer is registered for a class that is not age appropriate, you will run the risk of getting removed from that class without a secondary option.

Movement from one class to another for in-studio classes may not happen as quickly as in the past. Because our in-studio classes have extremely limited space, we ask for your understanding in advance with level changes. If your dancer is recommended to change levels after registration happens, the in-studio option may or may not be available.

VIRTUAL POLICIES

- Most classes offered at Studio 61 will be built on a hybrid model which will allow every student the option to take classes in person or at home, whichever works best for their family. Tap, Preschool and Intermediate and Advanced Classes are the classes that will not have a hybrid option. Tap and Acro classes will only be offered in the studio. For preschool classes, we are offering 1 in-studio class and 1 virtual class. The in-studio option is not a hybrid class.
- All students will be muted during class to make sure that everyone can hear the teacher as they instruct the class. During class, students will be able to use basic hand symbols in order to communicate quickly through class. For example, if the instructor asks, "Does everyone understand?" then the dancers will do the thumbs up signal to let the instructor know their answer is yes. If a student has a detailed question, they can unmute themselves by pressing the spacebar at the appropriate class time or raise their hand and request for their teacher to unmute them.
- Assistants will be present in select classes to assist the students and teacher within the class.
